

SPG IS COMMITTED TO

... 3. Community Projects

Sustainable Pacific Grove is also committed to undertaking community projects.

Focus:

- completing concrete projects,
- assist the city and the schools with projects that enable self-reliance and sustainability,
- assist the city in its efforts to implement the actions recommended in the Urban Environmental Accords and the US Mayors Climate Protection Agreement,
- promote such projects as development
 - * of community gardens,
 - * of a local water supply,
 - * of locally based manufacturing and services,
 - * of solar and other energy saving installations on public buildings.
