

SUSTAINABLE PACIFIC GROVE (SPG)

Tuesday, May 5th
P.G. Museum of Natural History
7 P.M. – 8:30 P.M.

Home Organic Gardening

SPG stands for promoting
Smililing and **P**rolific **G**reens in
Sustainable and **P**ainless **G**ardens!
Start **P**lanting **G**arlic,
Squashes, **P**oppies, and **G**inge,
Spinach, **P**eas, and **G**rapes

or whatever YOU want to grow and munch on. Always fresh and local.

Get inspired to get into Spring Planting. Bring your questions to a panel of three organic home gardening experts.

Program will include two short films on surprising urban gardens:

People's Grocery. Program teaches West Oakland residents how to grow organic food in their small urban gardens and to develop healthy eating. Its "produce in a box" project gives away organic food to people without access to fresh produce. (9 minutes)

Homegrown Revolution. How a downtown Pasadena family 20 years ago transformed their 1/10 acre garden into a mini organic farm that produces 3 tons of food a year. (15 minutes)
